

1900-1920

# Labor

- Working conditions during the industrial revolution were crap (wage/hours/benefits/conditions/job security/health hazards/harassment)
- Organic Goodies
  - How easy it was to fire and hire employees
  - Scabbing
  - The need for workers to be unified if they want to change anything
- Paper Airplane
  - How assembly lines changed how labor was done
  - Industrial Revolution made un-skilled labor a thing
- Lawrence Singing Strike

# Women's Rights Movement

- Right to vote
- Look into Iron Jawed Angels
- Look into what we wrote on Susan B Anthony, as well as S. Truth's Ain't I a Woman

# Muckraking and Reformers

- Take a look at your notes for those reformers presentations

# WWI

- The main causes of Wwi
  - Nationalism
  - Secret Alliances
  - Imperialism
  - Militarism
